
TITLE 405 OFFICE OF THE SECRETARY OF FAMILY AND SOCIAL SERVICES

Notice of Public Hearing
LSA Document #06-157

Notice of Public Hearing

Under [IC 4-22-2-24](#), notice is hereby given that on May 17, 2007, at 2:00 p.m., at the Indiana Government Center-South, 402 West Washington Street, Conference Center Room 5, Indianapolis, Indiana, the Office of the Secretary of Family and Social Services will hold a public hearing on proposed rule amendments concerning Medicaid reimbursement regulations.

In accordance with public notice requirements established at 42 CFR 447.205, Section 1902(a)(13)(A) of the Social Security Act, and [IC 4-22-2-24](#)(d), the Indiana Family and Social Services Administration, Office of Medicaid Policy and Planning (OMPP) publishes this notice of proposed changes to methods and standards governing reimbursement methodology for home health care services.

The OMPP proposes to revise the Medicaid reimbursement methodology for nonstate owned intermediate care facilities for the mentally retarded (ICFs/MR) and community residential facilities for the developmentally disabled (CRFs/DD) to permit reimbursement for residences for adults with extensive support needs.

The Family and Social Services Administration (FSSA) Office of Medicaid Policy and Planning (OMPP) finds that adding this new ESNR licensure level of care is necessary, in part because of the planned closure of the Ft. Wayne State Developmental Center (FWSDC), which is planned for July 1, 2007. For some of the clients currently at FWSDC, there are no other appropriate placements, because they need an extensive level of support services not otherwise available in current group home settings.

The addition to the ICFs/MR rate methodology of the new ESNR licensure level is expected to result in an approximate \$28,106,460 positive fiscal impact for the state (of which \$10,509,005 is state funding). The fiscal impact was arrived at by assuming that all projected ESNR residents are current residents of FWSDC. The estimated rate at FWSDC is \$1,787.41 per person per day, plus \$4.75 per person per day of Medicaid State Plan services. The projected ESNR group home rate is estimated to be \$486.32 per person per day, plus \$22.45 per person per day of Medicaid State Plan Services. This assumption is appropriate because the development of the ESNR homes was an alternative to building another institution, and the money that would have been spent on another institution is being used for the ESNR homes.

Copies of the proposed rule and this notice are now available and may be inspected by contacting the Director of the local county Division of Family Resources office, except in Marion County, where public inspection may be made at 402 West Washington Street, Room W382, Indianapolis, Indiana.
